RE: Statutory Grounds for Recall of Municipal Elected Officials Pursuant to Montana Recall Act

FACTS:

Our office has received numerous inquiries in recent days pertaining to Montana law and/or the grounds for recalling an elected municipal official.

ISSUE(S):

- (1) Are the grounds for recalling a municipal elected official limited to specified statutorily identified grounds?
- (2) What are the statutorily established grounds for recalling a municipal elected official pursuant to the Montana Recall Act.

CONCLUSION(S):

- (1) Yes. Pursuant to §2-16-603 MCA, the grounds for recalling a municipal elected official are statutorily identified as well as statutorily limited to only the grounds specified within §2-16-603 MCA.
- (2) The statutorily established grounds for recalling a municipal elected official are expressly limited by statute to “only” (a) physical or mental lack of fitness; (b) incompetence; (c) violation of oath of office; (d) official misconduct; or (e) conviction of a felony offense enumerated in Title 45.

LEGAL DISCUSSION:

The provisions of the “Montana Recall Act” are set forth in Title 2, Chapter 16, §§2-16-601 through 2-16-635 MCA.

Section 2-16-603 MCA statutorily establishes the grounds for recall by the qualified electors of the political subdivision. Section 2-16-603 MCA provides:

2-16-603. Officers subject to recall -- grounds for recall. (1) Any person holding a public office of the state or any of its political subdivisions, either by election or appointment, is subject to recall from office.

(2) A public officer holding an elective office may be recalled by the qualified electors entitled to vote for the elective officer's successor. A public officer holding an appointive office may be recalled by the qualified electors entitled to vote for the successor or successors of the elective officer or officers who have the authority to appoint a person to that position.

(3) Physical or mental lack of fitness, incompetence, violation of the oath of office, official misconduct, or conviction of a felony offense enumerated in Title 45 are the only grounds for recall. A person may not be recalled for performing a mandatory duty of the office that the person holds or for not performing any act that, if performed, would subject the person to prosecution for official misconduct. (Emphasis added.)

Note that subsection 2-16-603(3) MCA explicitly states that the statutory grounds for recall set forth in subsection 2-16-603(3) “are the only grounds for recall”. (Emphasis added.) Also, note that the first sentence of subsection 2-16-603(2) MCA states “a public officer holding an elective office may be recalled by the qualified electors entitled to vote for the elective officer's successor.” (Emphasis added.) Thus, it appears that if the recall election pertained to a city council member, only the qualified electors of the city council member's ward would be eligible to vote.

Section 7-1-7137 MCA of Montana's Municipal Government Statutes is entitled “Oath of Office” and states in pertinent part in subsection 7-1-4137(1) MCA “(1) Every elected and appointed municipal officer shall take the oath of office prescribed in Article III, Section 3, of the Montana Constitution.” (Emphasis added.)

The Montana Constitutional oath of office set forth in Article III, Section 3, states:

Section 3. Oath of office. Members of the legislature and all executive, ministerial and judicial officers, shall take and subscribe the following oath or affirmation, before they enter upon the duties of their offices: “I do solemnly swear (or affirm) that I will support, protect and defend the constitution of the United States and the constitution of the state of Montana, and that I will discharge the duties of my office with fidelity (so help me God).” No other oath, declaration, or test shall be required as a qualification for any office or public trust. (Emphasis added.)

There is no Montana statutory definition for the terms “official misconduct” or “misconduct”. Official in conjunction with elected officials, generally refers to acts or actions specifically related to the conducting of government business or exercising the authority, powers, duties or responsibilities of the official office held by the government official.

Black’s Law Dictionary, Eighth Edition at page 1019 defines the term “official misconduct” as follows:

official misconduct. A public officer’s corrupt violation of assigned duties by malfeasance, misfeasance, or nonfeasance. – Also termed *misconduct in office; misbehavior in office; malconduct in office; misdemeanor in office; corruption in office; official corruption; political corruption*.

Some other important aspects of the Montana Recall Act are that:

- (1) Pursuant to subsection 2-16-615(1) MCA recall petitions for elected municipal officials would be required to be submitted to the county elections administrator who also administers all city municipal elected official elections.
- (2) Pursuant to subsection 2-16-617 MCA prior to being able to circulate a recall petition a proposed sample recall petition must be submitted to the officer with whom the petition must be filed, which would be the county election administrator.
- (3) Pursuant to subsection 2-16-612(3) MCA any one signing the recall petition with respect to a municipal officer, would have to be an eligible qualified elector of the political subdivision and quite likely the city council ward if the recall pertained to a city council member. See subsection 2-16-603(2) MCA, supra.
- (4) Pursuant to 2-16-614(4) MCA recall petitions for Montana municipal elected officials “MUST CONTAIN THE SIGNATURES OF QUALIFIED ELECTORS EQUALING AT LEAST 20% OF THE NUMBER OF PERSONS REGISTERED TO VOTE AT THE PRECEDING ELECTION FOR THE MUNICIPALITY” (emphasis added).

Subsection 2-16-614(4) MCA provides in its entirety that:

(4) Recall petitions for elected or appointed officers of municipalities or school districts must contain the signatures of qualified electors equaling at least 20% of the number of persons registered to vote at the preceding election for the municipality or school district. (Emphasis added.)

This provision would likely be interpreted by the county election administrator as 20% of the qualified electors of the city council member’s ward, if the recall pertains to a city council member.

CONCLUSION(S):

(1) Yes. Pursuant to §2-16-603 MCA, the grounds for recalling a municipal elected official are statutorily identified as well as statutorily limited to only the grounds specified within §2-16-603 MCA.

(2) The statutorily established grounds for recalling a municipal elected official are expressly limited by statute to “only” (a) physical or mental lack of fitness; (b) incompetence; (c) violation of oath of office; (d) official misconduct; or (e) conviction of a felony offense enumerated in Title 45.
